

## LETTER OF RECOMMENDATION

**DATE:** 23 April 2018

I highly appreciate the assistance of BPR Business Solutions for their role that they played in insuring that I get employment through their assistance. I can verify that client's requirements and expectations are of vital importance to this recruitment agency.

I highly appreciate the professional concernment and communication skills of the consultants before the interviews and afterwards. I had a personal experience to assess the recruiting process as a job-seeker and I can say that I was highly impressed by how the recruitment consultant was committed and supportive throughout the whole recruitment process even after I got the job they still did follow ups to check if I had settled in well in my new job.

I would like to appraise and express my deep gratitude to "Michaela Aiton" who was assisting me throughout the whole processes and making sure that I was well prepared for my interviews and not only did she help me get the job but she also helped a friend of mine whom we are now both employed at the same company through the assistance of "Michaela Aiton" and BPR Business Solutions, in which I will forever remain grateful.

I will not hesitate to use the services of BPR Business Solutions in the future and I have recommended them to several of my friends and to anyone seeking employment.

Sincerely,
